NOW IS THE TIME TO UPDATE NURSING HOME MEDICAID RATES!

3 SIMPLE STEPS TO IMPROVE ACCESS TO QUALITY CARE IN NEW YORK:

1. **Provide a 20% increase to nursing home Medicaid rates** (to offset over 50% cost growth since 2007),
2. **Restore recent cuts to capital reimbursement** which impact resident quality of life, **AND**
3. **Reform the Medicaid rate methodology to incentivize quality & align rates with costs.**

Lack of Funding Leads to Reduced Nursing Home Capacity, Impacting the Entire New York Health Care System

New York has the 6th longest ER wait time in the country! Lack of nursing home capacity contributes to delays in hospital discharges and ER back-ups.
